1. Data Flow Diagram (DFD)

Level-0 DFD / Context Diagram

Main Data Stores

Online Event Management System

DFD Explanation

The **Online Event Management System** allows participants to register and log in, browse available events, register for events and make payments. Event organizers can create and manage events and view participant information. Administrators can manage users, events, registrations, payments and reports. The system stores user, event, registration and payment information in the respective databases.

2. User Stories

User Type	Functional Requirement (Epic)	User Story Number	User Story / Task	Acceptance Criteria	Priority	Release
Participant	Registration	USN-1	As a participant, I can register for the application by entering my name, email and password.	I can create an account and access my dashboard.	High	Sprint-1

Participant	Login	USN-2	As a participant, I can log into the application using my email and password.	I can successfully log in and access my dashboard.	High	Sprint-1
Participant	Profile	USN-3	As a participant, I can view and update my profile information.	Updated profile information is saved successfully.	Medium	Sprint-1
Participant	Event Browsing	USN-4	As a participant, I can view the available events.	I can see event name, date, time, venue and description.	High	Sprint-1
Participant	Event Search	USN-5	As a participant, I can search for events based on event details.	Relevant events are displayed according to my search.	Medium	Sprint-1
Participant	Event Registration	USN-6	As a participant, I can register for an available event.	My registration is successfully recorded and confirmation is displayed.	High	Sprint-1
Participant	Payment	USN-7	As a participant, I can make payment for a paid event.	Payment is processed and payment status is recorded.	High	Sprint-2

Participant	Registration Status	USN-8	As a participant, I can view my event registrations.	I can see registered events and their registration status.	Medium	Sprint-2
Participant	Logout	USN-9	As a participant, I can log out of the application.	My session is terminated and I return to the login page.	Low	Sprint-1
Event Organizer	Login	USN-10	As an event organizer, I can log into the system.	I can access the organizer dashboard after successful login.	High	Sprint-1
Event Organizer	Event Management	USN-11	As an event organizer, I can create a new event.	A new event is added with valid event details.	High	Sprint-1
Event Organizer	Event Management	USN-12	As an event organizer, I can update event details.	Updated event information is displayed to participants.	High	Sprint-1
Event Organizer	Event Management	USN-13	As an event organizer, I can delete an event.	The selected event is removed from the available events.	Medium	Sprint-2
Event Organizer	Participant Management	USN-14	As an event organizer, I can view participants registered for my events.	The registered participant details are displayed correctly.	High	Sprint-2

Event Organizer	Reports	USN-15	As an event organizer, I can view event registration reports.	The system displays the correct registration information.	Medium	Sprint-2
Administrator	Admin Login	USN-16	As an administrator, I can log into the administration system.	I can access the admin dashboard using valid credentials.	High	Sprint-1
Administrator	User Management	USN-17	As an administrator, I can view and manage users.	I can add, update or deactivate user accounts.	High	Sprint-1
Administrator	Event Management	USN-18	As an administrator, I can manage all events.	I can add, update and delete events.	High	Sprint-1
Administrator	Registration Management	USN-19	As an administrator, I can view event registrations.	I can view participant and registration details.	High	Sprint-2
Administrator	Payment Management	USN-20	As an administrator, I can view payment information.	Payment records and their status are displayed correctly.	Medium	Sprint-2
Administrator	Reports	USN-21	As an administrator, I can generate event and registration reports.	Reports contain accurate event and registration information.	Medium	Sprint-2

Administrator	Dashboard	USN-22	As an administrator, I can view a dashboard containing system information.	Dashboard displays users, events, registrations and payment summaries.	Medium	Sprint-2

3. Summary of User Roles

Participant

- Register and log in
- Manage profile
- View and search events
- Register for events
- Make payments
- View registration status

Event Organizer

- Log in
- Create events
- Update/delete events
- View registered participants
- View event reports

Administrator

- Manage users
- Manage events
- Manage registrations
- Monitor payments
- Generate reports
- View overall dashboard
