

Project Design Phase-II

Data Flow Diagram & User Stories

Project Name: Internship Portal System

Data Flow Diagrams

A Data Flow Diagram (DFD) is a visual representation of the information flows within the Internship Portal System. It shows how data enters and leaves the system, how the information is processed, and where the information is stored.

DFD Level 0

- External Entities: Student / User, Administrator
- Main Process: Internship Portal System
- User → Registration / Login Details → Internship Portal System
- Internship Portal System → Available Internship Details → User
- User → Application Details → Internship Portal System
- Internship Portal System → Application Status → User
- Administrator → Internship Details → Internship Portal System
- Internship Portal System → Application Details → Administrator

User Stories

User Type	Functional Requirement	User Story Number	User Story / Task	Acceptance Criteria	Priority	Release
Customer (Web User)	Registration	USN-1	As a user, I can register for the application by entering my details.	entering successful details in account and access the application.	High	Sprint-1
Customer (Web User)	Login	USN-2	As a user, I can log into the application using my email and password.	my email and password access my account after login.	High	Sprint-1
Customer (Web User)	View Internships	USN-3	As a user, I can view the available internships.	I can view the available internship details.	High	Sprint-1
Customer (Web User)	Internship Details	USN-4	As a user, I can view the details of an internship.	I can view the internship information before applying.	High	Sprint-1
Customer (Web User)	Apply Internship	USN-5	As a user, I can apply for an available internship.	My application is successfully submitted.	High	Sprint-2
Customer (Web User)	Application Status	USN-6	As a user, I can view my internship application status.	I can view the current status of my application.	High	Sprint-2
Administrator	Manage Internships	USN-7	As an administrator, I can add and manage internships.	internship details can be added and updated successfully.	High	Sprint-2
Administrator	View Applications	USN-8	As an administrator, I can view the applications submitted by users.	I can view the submitted application details.	High	Sprint-2
